Dear Pete,

Attached is a brochure that I was going to leave with you on my last trip but in my hurry to depart I forgot it. This came across our attention a few weeks ago and you were the only person that I could think of that might possibly have a need for something like this. I do not know how involved you are with the rest of the  Program but you might find this interesting. Sometime when you have a chance, let me know what you think of it.

Arrangements are being made to get this additional equipment out to you. You should have it in the next week or two.

I want to take this opportunity to thank you again for the wonderful consideration and co-operation you showed us on our past trip.

Andy
